Acrowire and BA Insight Announce Upcoming Webinars on SharePoint 2016 and Office Delve

Charlotte, N.C. (December 01, 2015) – Acrowire, a strategic business and legal technology consulting firm specializing in custom application and SharePoint development and design, and BA Insight, provider of software that accelerates and future-proofs the creation of SharePoint portals, will co-present two ILTA webinars next week on SharePoint 2016 and Office Delve.

"SharePoint 2016: What's New for Legal?" will be delivered on December 9th at 12PM EST. This webinar will address the new and improved functionality of this customer-centric release including: hybrid cloud solutions, cloud security controls, mobile experience, analytics and more.

"Office 365: New Tools Bring New Views - Office Delve" will be delivered on December 10th at 12PM EST. This third and final part of an ILTA webinar series on Office 365 will highlight the value Office Delve brings to help empower associates and take productivity and personalization to the next level. Functionality to be addressed includes: personalized insights, security and privacy, people-based search, self-expression, collaboration, storing content and mobility.

Both webinars will be presented by Ted Theodoropoulos, President of Acrowire, and Jeff Fried, CTO of BA Insight. All legal IT professionals are invited to attend. Register today for SharePoint 2016 for Legal and Office Delve.
