ILTA Webinar Recordings on SharePoint 2016 and Office Delve Are Now Available

Presentations Delivered by Acrowire and BA Insight

Charlotte, N.C. (January 07, 2016) – [Acrowire](#), a strategic business and legal technology consulting firm specializing in custom application and SharePoint development and design, and [BA Insight](#), provider of software that accelerates and future-proofs the creation of SharePoint portals, invites you to learn about SharePoint 2016 and Office Delve via the International Legal Technology Association (ILTA) [webinar recordings](#).

Recent ILTA webinars, titled: SharePoint 2016: What's New for Legal? and Office 365: New Tools Bring New Views – Office Delve, are both presented by Acrowire President, Ted Theodoropoulos, and BA Insight CTO, Jeff Fried.

SharePoint 2016: What's New for Legal? addresses new and improved features for legal and discusses the customer-centric focus of this release. The presentation covers:

- Hybrid cloud solutions with global reach
- New cloud security controls and functionality
- Mobile experiences for end users
- Improved reporting and analytics
- SharePoint 2016 requirements
- Available tools for a comprehensive SharePoint health check up

Office 365: New Tools Bring New Views – Office Delve uncovers the accessibility and convenience for Office Delve end users, and addresses the advantages and functionality of:

- Personalized insights
- Security and privacy
- People-based search
- Self-expression (blogs, photos, videos)
- Collaboration among teammates and with content
- Storing content
- Mobility

Both webinars have been recorded and are now available for [viewing](#). To learn more about SharePoint 2016, Office Delve, or other educational presentations, please contact info@acrowire.com.
