Acrowire Invited to Join Charlotte Chapter of the Entrepreneurs' Organization

Charlotte, N.C. (Feb. 18, 2014) – [Acrowire](#), a strategic business and legal technology consulting company, today announced that it has been selected to join the Charlotte chapter of the Entrepreneurs' Organization. The chapter is the local arm of the Entrepreneurs' Organization, which makes up a community of more than 9,500 entrepreneurs from 131 chapters worldwide.

For more than 27 years, the organization has offered entrepreneurs the opportunity to explore best practices and gather and share peer feedback with a global community of like-minded business owners. In order to qualify for membership, companies must undergo an extensive review process that examines annual gross revenue, the amount of privately and publicly raised funds and total employee count.

"As our client base and revenue continue to rapidly increase, the valuable resources offered by the Entrepreneurs' Organization will help support and frame our strategic plan for sustained expansion," said Ted Theodoropoulos, president of Acrowire. "We are honored to join such a prestigious organization."
