### **Neudesic, Creator of The Firm Directory, and Acrowire Team Up to Deliver Innovative SharePoint Solutions for the Legal Industry**

*Partnership Delivers Industry Leading SharePoint Solutions with the Strength of Plug-and-Play, Expertise Location and Collaboration Software*

**IRVINE, Calif., August 19, 2015** – Neudesic, creator of [The Firm Directory](#), a profile-based expertise location system powered by Pulse, the company's enterprise collaboration platform, and [Acrowire](#), a strategic business and legal technology consulting firm, announced today a strategic partnership combining best-in-class SharePoint solutions with the legal industry's leading expertise location software.

Ted Theodoropoulos, president of Acrowire, commented, "Our legal clients are excited to have us implement their next-generation intranet, leveraging our SharePoint development and design expertise – now combined with the ability to embed the seamless expertise location capabilities of Neudesic's The Firm Directory."

"Our partnership with Acrowire accelerates time-to-value for legal organizations who want to add expertise location and secure collaboration to their SharePoint environment, without taxing internal resources," said Ramin Vosough, vice president, products at Neudesic.

The new partnership combines Acrowire's SharePoint intranet solutions for the legal industry with The Firm Directory's expertise discovery and secure collaboration capabilities. Clients can easily tap expertise within their firm using SharePoint Profiles and collaborate on key areas of their business via interactive client, matter or practice-centric communities within SharePoint.

To learn more about the partnership or see a demo, visit The Firm Directory in booth 529 at the International Legal Technology Association [Annual Conference](#) in Las Vegas, August 31 – September 3, 2015. #### **About The Firm Directory**

[The Firm Directory](#) is an experience discovery system designed to accelerate knowledge management and marketing efforts for law firms and legal departments. The software improves cross-selling and knowledge-sharing by decreasing the time it takes to locate the right people with the right experience,

skills or relationships required for new pursuits and client matters. The Firm Directory enables firms to capture attorney relationships, court affiliations and proficiencies with LinkedIn-style familiarity and ready accessibility via mobile applications. The Firm Directory was built on the award-winning Neudesic Pulse enterprise social collaboration platform, and was created by Neudesic, a technology services company.
